

**Open competition for Doctoral student selection within the framework of Project Applications "To Strengthen Academic Staff of of Ventspils University College in the Areas of Strategic Specialisation"**

*The aim of the Project – to promote the employment of foreign academic staff in the Translation Studies Faculty (TSF) thus contributing to the internationalisation, export and international competitiveness of the Ventspils University of Applied Sciences.*

*Project results – 30% of the foreign academic staff who have received ESF funding within the framework of this project continue to work as academic staff at the Ventspils University College after the completion of the project.*

*Project time – from 4th quarter of 2018 to 3rd quarter of 2023, with minimum project participation set at 6 months. The total term of the ininitial employment term can be distributed over maximum of five years. After the end of initial employment term, another employment contract may be negotiated.*

5) The Information Technology Faculty (ITF) of the Ventspils University College (VUC) is running a professional bachelor and a professional master program "Electronics Engineering". VUC is willing to recruit young academic staff active in research and familiar with the new telecommunication and data transmission, as well as signal processing technologies. VUC is looking for doctoral students or doctoral candidates to be involved in delivery of study courses in the bachelor and master programs "Electronics Engineering". After obtaining doctors degree permanent positions will be offered to the university teachers involved in the project.

We are looking for **University Teacher (Doctoral student): Lectures on Electronics Engineering** (Level: First Stage Researcher- R1) for the 2018/2019 academic year.

**Employment:** 4-20 hrs/week.

Minimal term of ininitial employment is 12 months. The total term of the initial employment term can be distributed over maximum of five years. After the end of initial employment term, another employment contract may be negotiated.

**Deadline for application:** 06.06.2018.

**Eligibility criteria:**

- Doctoral Student.
- Research work related to new technologies in signal processing, data communications, electronics engineering, telecommunications.
- Previous research experience of 2 years in Electronics Engineering / Telecommunications / Signal processing.

When applying for the position, the following documents should be submitted to e-mail addresses [elina.feldmane@venta.lv](mailto:elina.feldmane@venta.lv) and [majja.cebere@venta.lv](mailto:majja.cebere@venta.lv):

- 1) Application – Annex 1 (scanned and signed document)
- 2) CV – Europass or in a free form with respect to the above requirements and conditions.

**Annex 1 (please fill in):**
